Swansea Marina Summer Trail

At the Dawsons office turn right up the steps

01

How many steps are there?

.....

At the top of the steps turn right

02

What shape is at the top of the green structure to your left?

.....

Keep walking towards the civic centre

03

What is in the yellow and Green box on your right? and what is this used for?

.....

Now turn all the way back around and walk along the path towards The Observatory, along the coast taking in Swansea's 'open air museum'

04

What ice cream flavour does Marine Walk remind you of?

.....

05

Outside Marine Walk what is at the top of the stone cone?

.....

06

What year was the globe sundial made?

.....

Continue along the coastal path to the next wonderful statue

07

What is in the hole at the front of the lighthouse tower?

.....

Keeping to the coastal path, look up to the observatory

08

Can you pull the facial expression on the masks on the side of The Observatory?

Take a selfie

look out for the Mermaid on your left

09

For what occasion did the then Prince Charles unveil the mermaid statue to celebrate?

.....

LOOK UP AT THE SIDE OF THE BUILDINGS some of these buildings and the rooms at Morgans are named after ships that once sailed through the Swansea dock...

Did you know the observatory once hosted the largest telescope in Wales

morgans

Continue walking to the second big sail and turn left into Fisherman's Way **CAREFUL OF THE ROAD CROSSING HERE BEFORE THE STATUE**

10

On the Welcome To Swansea Bay poster on the railings just after The Observatory, what type of butterfly is featured?

.....

11

Who designed the light wave statue to the centre of the gardens?

.....

***FYI**

There is a park to play, if you continue along the coastal path to Aurora

Turn so the statue is behind you and now walk towards the marina down the slope (**CAREFUL OF THE ROAD CROSSING AT THE PILLARS**) netbop should now be on your left.

Follow the path around the marina to your right

12

What colour are the lampposts on your left?

.....

13

What's your favourite name of the boats in the marina today?

.....

14

Stop at the Captain Cat statue and tell us what Dylan Thomas story is he in?

.....

NOW Cross the marina on the swing bridge only when safe to do so

15

On the left there is a red brick building what is it called?

.....

16

Just past the Pump House, look to the big windows on your right, where is the no 7 red tram going?

.....

17

Who is always sat on a chair here in this square?

.....

The Pump House, constructed around 1900, originally housed large boilers that supplied steam to hydraulic pumps. These pumps powered essential dock machinery, including a swing bridge that rotated to allow ships to enter or leave the South Dock.

Here why not take a stop and visit the National Waterfront Museum or the Swansea Museum both have free entry and toilet facilities!

Continue to follow the path with the National Waterfront Museum on your right

18

Here you will find some old rusty boats, on the red and white one what are the words on the life buoys?

.....

This boat is called the Helwick and has lots of history you can find out inside

19

What is the name of the restaurant you pass on your right hand side opposite the Copper Jack Boat Trips?

.....

Turn right at the Anchor restaurant **CAREFUL OF THE ROAD**

20

How many arches are open for you to walk through here?

.....

Now turn right and walk past the LC - Home of Wales' largest water park

At the end of the letters turn right taking the path next to the wall

21

As you walk through the arches, what do you call the large bridge on the left in front of you?

.....

22

Walk towards the grass area, can you tell us what the letters are on the grass?

.....

23

What building is the other side of the wall?

.....

Now turn left and stay on this road heading towards Morgans **CAREFUL OF THE ROAD**

The Post House was once the home of the local Evening Post, and it even got printed here

24

Look up to find the clock on the grey Exchange building, what time does it show?

.....

25

As you look across to the green area ahead of you what can you spot in the trees?

.....

26

As you look up to Morgans Hotel, what flag is flying today?

.....

Morgans Hotel was once the home of The Harbour Trust where captains would register their ships which is why their rooms are named after ships that sailed here

Now you have finished your trail please head inside **MORGANS** to reception on your left and hand in these sheets and receive your sweet treat and enter our **FREE** prize draw
